

PHOTO-EXHIBITION 'Discovering Belarus: Images of Today and Beyond'

18 December 18.00—20.00 Photographer: Siarhei Balay

The exposition includes more than 30 images picturing different moments of everyday life in Belarus -- photographs taken during traditional feasts and celebrations, in craft schools, or while discovery trips around different Belarusian towns and villages. Balay's pictures present the life led by ordinary Belarusians and offer an insider's look into their world of traditions, beliefs, happiness and sorrows.

Siarhei Balay holds the first prize of the Belarus Press-Photo Competition 2011 in the news category, and a second prize in the 'Daily life' nomination. In 2008, he also won the second prize in the 'Belarus with the Eyes of Journalists' competition organised by the Belarusian Association of Journalists (BAJ).
